# ICPEPA

**11th International Conference on Photo-Excited Processes and Applications – ICPEPA 11 will be held in Vilnius, Lithuania on September 10-14, 2018.**

The conference is the place to share new results and ideas regarding fundamentals of **laser-matter interaction, photo-excited processes and application**, and increase networking and collaboration opportunities in a relaxing environment. Emerging new application of photo-excited processes in „green“energy: photovoltaics, photocatalysis; photosynthesis will be discussed. New topics on **fast and precise processing with ultra-short pulse lasers, 3D printing, industrial applications** are expected.

**The expected number of attendees from science and industry at the Conference is over 200 from all around the world: Australia, USA, Japan, Europe, China.**

There are many ways to have both a good **presence for your company** at **the 11th International Conference on Photo-Excited Processes and Applications** and to show **your support**. The sponsorship opportunities are divided into sponsorship packages and separate items which can be sponsored.

*Sponsorship package fee is in Euro, including VAT.*
